Kim, Kyungsuk
I will attend the 2011 World Congress of Music Therapy to share various information, and to meet colleagues from different parts of the world. I greatly believe that this opportunity will strengthen my professionalism and also broaden my prospective for music therapy.

So, Hyejin
I am very excited we are hosting the 2011 World Congress of Music Therapy in Korea. This will greatly contribute to music therapy field to grow continuously. Also this opportunity will let the world know how much enthusiastic we are as a music therapist. I am looking forward to meeting with music therapists all over the world and learning from each other!

Kim, Myungshin
I work for Seoul Metropolitan Children's Hospital. I want further understand the different trends of music therapy in the world from this congress and also share some of my thoughts and ideas with the colleagues that will be attending.

Whang, Eunyoung
I am a music therapist who is currently serving clients. But who can be a music therapist for me? It will be the colleagues I meet during the 2011 World Congress! The idea of learning from other practicing music therapists makes me both happy and excited! This is the reason I will be attending the 2011 WCMT.

Lee, Eun-hye
I wish that this congress will be a true festival filled with music therapists around the world. Wouldn't it be wonderful to share experiences and thoughts from so many different places? I am also looking forward to attending some respectable scholars’ lectures during my time at the congress.

Ju, Jee-Eun
I want to attend this WCMT since it will be a global conference for music therapists from all around the world. I expect that I'll be able to see all the different viewpoints in terms of approaches, models, research trends, etc. I'm sure it will be very enjoyable.
