Three ways you can give

Dear WFMT Members and Supporters of the World Federation of Music Therapy,

As our organization is growing rapidly, we have a need for financial support to continue with meaningful projects and services such as

- WFMT Scholarships for Students
- WFMT Professional Awards
- WFMT Global Crises Interventions Funds
- WFMT Website Development
- WFMT Online Education and Publication Center, and
- the Development of Future WFMT Projects.

This month, we ask you to consider to become a Patron Member, shop at our online boutique, or tell others about the work of the World Federation of Music Therapy by using the social online networks.

Thank you for being part of the global development of music therapy and see you in Seoul, Korea for WFMT’s 13th World Congress of Music Therapy.

Yours,
Petra Kern
President of the World Federation of Music Therapy
